

## **INTRODUCTION**

North Sydney Council offers a range of subsidised community facilities for hire including community halls and meeting rooms.

Council is committed to sharing its range of facilities with as many people as possible so that everyone can enjoy access to community gatherings and activities.

Council offers cheap rental rates to help community organisations to develop their programs and interests.

Our policy is about making sure that we balance the needs of community groups, be they longstanding bookings for regular activities or meetings and those that are short term (casual).
