

APPLICATION FORM AND CONDITIONS

PERMIT TO STAND PLANT &/or ROAD CLOSURE

North Sydney Council is responsible for ensuring that plant standing on footpaths and roads is positioned and managed safely for vehicles and pedestrians. Plant is defined as a mobile crane; cherry picker; truck crane; concrete boom pump; travel tower; boom lift or other similar piece of equipment used for construction or maintenance work. Council must regulate the temporary closure of public roads, in order to ensure minimum disruption to vehicular and pedestrian traffic.

This form includes six sections:

- Conditions
- Applicant's details
- Privacy statement
- Out of hours application
- Indemnity
- Insurance details

To apply for a permit, please complete all relevant sections and present application with payment to the Customer Service Centre, Council Chambers, 200 Miller Street, North Sydney, accompanied with copies of the following:

- Traffic Control Plan for the work site
- Approval from the NSW Police Service
- Public liability insurance certificate of currency
- Road Occupancy Licence from the RTA (if required)
- Notification signage*
- Notification letter to surrounding properties, Local Fire Brigades* and NSW Ambulance Service*

* Compulsory for all Temporary Road Closures

Permits are issued subject to the conditions attached to this application form. Further conditions may be imposed by Council and/or the North Sydney Traffic Committee. Depending on circumstances, permits may be rejected without notice.

Please ensure you read the conditions before applying for a permit.

PERMIT TO STAND PLANT &/or ROAD CLOSURE

SECTION 1 - PERMIT CONDITIONS

1.1 GENERAL

1. The application fee covers the cost of occupying two (2) parking meter bays. Where the proposed work requires the occupation of additional parking meter bays, e.g. to allow concrete agitator trucks to queue; to allow for a truck to stand to be offloaded; or to allow for the implementation of appropriate traffic control plans, then occupation of additional parking space charges will apply.
2. Failure to obtain a permit or non-compliance with the Permit Conditions is a breach of the Local Government Act 1993 as amended and/or the Roads Act 1993 as amended. Infringements will be issued in accordance with the regulations of these acts.
3. This permit does not give consent to carry out the prescribed works under the Environmental Planning & Assessment Act 1979 and does not allow any variation to the Hours of Construction/Demolition imposed by any conditions in a Development Consent under the Environmental Planning & Assessment Act 1979.
4. This permit gives the applicant permission to stand and operate the nominated item of plant for one (1) day only at the location or locations nominated on the permit. No work shall begin until a valid permit is obtained.
5. This permit may be cancelled without notice should public or residential amenity be detrimentally affected.
6. Urgency fees apply if stand plant permit is required with less than two (2) working days' notice or if a road closure permit is required with 5 to 9 working days' notice
7. No application shall be accepted without approval from the NSW Police Service (Police) under Clause 12 of the Road Transport (Mass loading and access) Reg 2005.
 - Traffic Services, Harbourside LAC, Mosman Ph: (02) 9969 1933 Fax: (02) 9969 1991Police require a minimum of 3 days' notification.
8. A notification letter is to be distributed to surrounding properties. Notification is to be a two step process – the first notification giving 7 days' notice of the road closure with a follow-up notification 48 hours prior to the closure, advising:
 - Works to take place (including times and dates)
 - Any planned noise to be made
 - Property access arrangements
 - A 24 hour contact phone number for the siteA copy of this letter must be submitted to Council prior to the issue of the permit. Council is not responsible for liaising/negotiating terms of access with surrounding properties.
9. Subject to location, a letter of approval may be required from City Rail, Sydney Buses or other organisations:
 - Area Manager, City Rail – North West Sector Ph: (02) 9847 8940
 - Traffic Manager, Sydney Buses Ph: (02) 9245 5614
10. The applicant must reimburse Council for the costs of any damage caused to the public way and/or any extraordinary cleansing as a result of the closure. No materials or rubbish shall be left on the footpath, roadway or in any way that inconveniences public use of the area.
11. The applicant must comply with any reasonable directive of the Police and Council's Ranger Services officers.
12. Requests for transfer of permit due to adverse weather conditions, or other factors, must be made in writing by the following business day and will be granted on a case-by-case basis. For approval to be granted for the transfer, amended Police and RTA approvals are required with the written request. A request for transfer due to other factors will be granted only once per issued permit.
13. Please note that additional conditions apply to Temporary Road Closures and Out of Hours works. Please see Sections 1.5 & 1.6, respectively.

PERMIT SHALL BE AVAILABLE ON-SITE AND BE PRODUCED ON REQUEST.

PERMIT TO STAND PLANT &/or ROAD CLOSURE

SECTION 1 - PERMIT CONDITIONS (continued)

1.2 TRAFFIC AND PEDESTRIAN MANAGEMENT

1. All traffic and pedestrian control shall be in accordance with the current version of AS 1742.3 and its associated handbooks; and the RTA's Traffic Control at Work Sites Manual.
2. An appropriate TCP from the RTA's Traffic Control at Work Sites may be used, providing it is referenced as such and complies with Condition 1.2.1.
3. North Sydney Council does NOT approve TCPs. If a TCP is submitted with the application, it is viewed as a document containing information about the impacts on traffic flow only and is NOT evaluated from the viewpoint of risk assessment or Occupational Health and Safety. If a Permit to Stand Plant &/or Road Closure is granted, it does not imply approval of the TCP.
4. Unless a minimum of three (3) metres of travel lane width can be maintained at all times, permission for a full road closure must be obtained. Please see Section 1.5.
5. Pedestrian and vehicle access to adjoining land shall be maintained.
6. Responsibility for pedestrian and other road users' safety rests with the applicant from the commencement of work until permanent restoration of the roadway or footpath by Council.
7. The temporary diversion of pedestrians is to be undertaken in accordance with AS 1428.1 to provide access for persons with disabilities.
8. Where lifting takes place over an area not protected by barricading, traffic controllers must be available to control pedestrian and vehicular traffic, in accordance with AS 1724.3 and its associated handbooks; and the RTA's Traffic Control at Work Sites.
9. Vehicles are not to operate or stand contrary to the Australian Road Rules or the Road (Safety and Traffic Management) (Road Rules) Regulation 1999 as amended.
10. It is an offence under Section 667 of the Local Government Act 1993 as amended to wilfully remove, destroy, deface, damage or otherwise interfere with notices or signs erected by Council. A maximum penalty of \$2,200 applies.
11. All traffic control plans are to be prepared by an appropriate qualified person, holding an RTA "Design and Inspect Traffic Control Plans" ticket.

ALL TRAFFIC CONTROL PLANS SHALL BE AVAILABLE ON-SITE AT ALL TIMES.

1.3 PLANT OPERATION

1. All pump lines crossing Council footpaths must be ramped over to allow safe pedestrian/wheelchair traffic at all times.
2. Any plant dropping oils, hydraulic fluids, concrete slurry or pollutants will be immediately closed down.
3. Any plant operator found allowing oils, hydraulic fluids, concrete or concrete slurry or pollutants to flow into Council's gutters or stormwater drainage lines will be fined not less than \$750 per individual or \$1500 per corporation - as per the Protection of Environmental Operations Act 1999 as amended.

PERMIT TO STAND PLANT &/or ROAD CLOSURE

SECTION 1 - PERMIT CONDITIONS (continued)

1.5 FULL ROAD CLOSURE – SPECIAL CONDITIONS

1. Where a full road closure is required, approval from the North Sydney Traffic Committee (NSTC) is necessary before a plant permit can be issued. The NSTC comprises representatives from the Police, RTA, North Sydney Council and the local State Member of Parliament. Council will issue a permit in the form of a letter, stating the resolution of the NSTC.
2. Approval for closures of less than two (2) consecutive days may be expedited, in ten (10) working days, at Council's discretion. If between five (5) and nine (9) working days notice is available for this process, an urgency fee shall apply.
3. Council reserves the right to reject the application and refer it to a full meeting of the NSTC for adjudication.
4. Closures of three (3) consecutive days or more are to be referred to a full meeting of the NSTC:

Traffic Committee	Last day for submission	Traffic Committee	Last day for submission
4 February 2011	21 January 2011	22 July 2011	8 July 2011
18 March 2011	4 March 2011	2 September 2011	19 August 2011

 - Neutral Bay Fire Station Ph: (02) 9908 1258 Fax: (02) 9904 2086
 - NSW Ambulance Service Operations Centre Fax: (02) 8396 5147
8. Requests for transfer of permit due to adverse weather conditions must be made in writing by the following business day and will be granted on a case-by-case basis. Where a full road closure has occurred, the request will be subject to a fee. For approval to be granted for the transfer, amended Police and RTA approvals are required with the written request.

A COPY OF THE LETTER OF APPROVAL SHALL BE AVAILABLE ON-SITE AT ALL TIMES.

PERMIT TO STAND PLANT &/or ROAD CLOSURE

SECTION 1 - PERMIT CONDITIONS (continued)

1.6 OUT OF HOURS – SPECIAL CONDITIONS

1. Unless specified by a DA condition, normal permitted working hours are generally 7 am to 5 pm, Monday to Friday and 8 am to 1 pm on Saturday.
2. To operate outside of these hours an additional Out-of-hours Permit is required. This permit requires approval from Planning & Development Services before a permit can be issued.
3. Permits only allow the work described therein and generally exclude any construction or demolition works.
4. Out of hours permits are issued on a one off basis, and ongoing after hours work must be subject to a formal application for variation of any relevant consent condition.
5. The applicant must provide reasons why the work, subject of the Permit application, cannot be carried out in normal North Sydney Council construction hours:
 - 7.00 am - 5.00 pm Monday to Friday (demolition work 8 am – 5 pm Mon to Fri)
