

Kirribilli Neighbourhood Centre is a gathering place on the lower North Shore of Sydney that provides a broad range of community services.

With an active interest in disability issues, Kirribilli Neighbourhood Centre, in partnership with North Sydney Council, is pleased to be associated with the publication of this 'CBD Access Map North Sydney'.

If Kirribilli Neighbourhood Centre can be of assistance to you, just look on the map, find our location and come and visit.

Chairperson

**Bradfield Park** is mostly flat, divided in two parts by a bowling green. The South Park has a children's play area. There is flat path access to Bradfield Park North from the railway station. There is no access to The Sydney Harbour Bridge from Bradfield Park.

**Don Bank Museum** is a community museum. The displays feature the changing styles and fabrics of the house itself and the social history of the North Sydney area. There is a ramp for wheelchair access and accessible toilets.

**Kirribilli Neighbourhood Centre** is best accessed from the Bligh St entrance. Between Fitzroy Street and Bligh Street.

Both ground and first floor are accessible, including the new outdoor verandah.

**Kirribilli Markets** Held on the 2nd & 4th Saturday of each month on the lawns of the former bowling club. Ramp access available to main site.

**Mary Mackillop Memorial Chapel & Mary Mackillop Place Museum & Hearing Loop** installed in the Chapel. Accessible and Museum. Wheelchair hoist available to access Chapel and Museum. Entrance via 7 Mount Street, North Sydney.

**McMahon's Point Community Centre** 165 Blues Point Road, McMahons Point. The centre is a ten minute walk from North Sydney Station. A hearing loop has been installed on the second level. Both levels are accessible. There are accessible toilets. Held in the park next to the Library; the grounds are hilly but there are some level paths for access to market stalls. For further information please phone (02) 9922 2286.

**North Sydney Oval** An accessible entrance to the Oval is situated outside the Bob Stand and the South Entrance (Ridge Street). Accessible toilet facilities are also located here. Accessible bar and refreshment facilities (with lift access) are situated in the Mollie Dive Stand, however, this stand is reserved for members only during some events. The nearest accessible members only during some events. The nearest accessible station with a lift is Milsons Point. The nearest accessible parking is in Ridge Street.

**Stanton Library** 234 Miller St, North Sydney near the Council Chambers. From North Sydney Station (not accessible) the library is about 15 minutes walk. The nearest accessible parking is in Ridge Street car park behind Stanton Library. There is an access ramp to the front of Library from Miller Street and Ridge Street. All levels are accessible via a lift.

**Stanton Library** has an extensive collection of large print books, talking books and captioned videos. A hearing loop is supplied on request for author's readings, and an listening device for individual conversation is available from reception. There is also an open reading machine that reads printed material aloud. An accessible toilet is located in the ground floor.

**St Leonards Park** Located in this park are the North Sydney Oval, Grandstand Pre School & Vacation Care Centre, Planet X Youth Club and North Sydney Leagues Bowling Club. A series of paths network across the park and link all major facilities. There are no accessible toilets or parking located in the park.

**>>> Gradients** Gradient warnings are indicated on the map. The arrows indicate the downhill grade. Warnings are provided for streets with an inclination of 1:14 or steeper.

**Accessible Kerbs** Most main roads in the North Sydney, CBD and Bradfield Park areas have accessible kerbs. However, please be aware that some kerbs are not accessible or the inclination is steeper than 1:14.

**Telephones** The telephones plotted on this map are either SMS phones or standard public telephones.

**Accessible Public Toilets** There is an automatic public toilet with audio and visual instructions provided in Bradfield Park. All other toilets are not automatic but are wheelchair accessible.

**Audio ATMs** A talking ATM provides audible instructions so persons who cannot read the screen can independently use the machine. All audible information is privately heard by plugging a standard headset into a jack on the face of the ATM. There is audible orientation for first time users and descriptions of the location of features such as keypad, deposit slot and card slot.

**Audio Crossing Signals** All crossings in the North Sydney, CBD and Bradfield Park areas in the North Sydney CBD and Bradfield Park Rest/Seating is available in Bradfield Park and several other areas in the North Sydney CBD.

**Rest Seating** Rest/Seating is available in Bradfield Park and several other areas in the North Sydney CBD.
