

### HOW DOES THIS AFFECT YOU?

For the safety of event participants, extensive road closures and special event clearways will be in place in your area for the Sydney WorldPride March on Sunday, 5 March 2023.

The March will see 50,000 people travel from North Sydney across the Sydney Harbour Bridge, onto the Cahill Expressway, Macquarie Street and finishing at the Domain & Hyde Park. The March will begin at 7am, with the last participants crossing the bridge at 10am.

Please familiarize yourself with the road closure map overleaf and plan your movements ahead of time. If you need to access your vehicle on event day, ensure it's parked outside of the closures. It's a fineable offence to drive on or exit a driveway onto a closed road.

### ROAD CLOSURES

The Cahill Exp Walkway will be closed from 6am to 11am. Roads in the city will also be closed between 4am and midday

### DETOURS

The Sydney Harbour Tunnel will remain open, and motorists can access the Tunnel via the Neutral Bay Falcon St or Military Rd on-ramps. Heavy traffic is expected so motorists are urged to delay non-essential travel until after midday. Drivers can also consider using the Victoria Rd detour route. There will be no access between the Cahill Expressway and Macquarie St until after 12pm. Motorists travelling eastbound on the Cahill Expressway Circular Quay Overpass will be diverted via the Domain Tunnel.
