### Planning Proposals – (Amendments to NSLEP 2013) Section 3.33 of the EP&A Act

#### PLANNING PROPOSAL TYPE - FEES 2025/2026

A planning proposal will fall into one of four categories, three of which will result in a fee being payable as set out below:

| Planning Proposal Type   | Fee              | ü        |
|--|------------------|----------|
| <b>Complex</b>   | <b>\$123,500</b> | <b>o</b> |
| These types of planning proposals are generally defined by requests involving changes to zoning, significant increases in height or floor space ratio (FSR), or significant reductions in non-residential FSR and if implemented, will result in one or more of the following:<br>a) the delivery of more than 300 dwellings;<br>b) the delivery of more than 25,000sqm of non-residential floor space;<br>c) affecting a site of more than 5,000sqm, or where it covers an entire street block which is less than 5,000sqm in area.<br>They will also include a request to enter into a Voluntary Planning Agreement. |                  |          |
| <b>Major</b>   | <b>\$80,000</b>  | <b>o</b> |
| These types of planning proposals are generally defined by requests involving more than 10% changes to height or floor space ratio (FSR) and/or zoning changes, any reduction in non-residential FSR. They also include any proposal which involve a Voluntary Planning Agreement.   |                  |          |
| <b>Minor</b>   | <b>\$37,000</b>  | <b>o</b> |
| These types of planning proposals are generally defined by requests involving less than 10% change to height or FSR, or other changes to LEP controls that are likely to be of a relatively minor nature and of lesser complexity, including requests for Schedule 1 - Additional Permitted Uses, but only where one additional use is being sought.   |                  |          |
| <b>Council Instigated</b>  | <b>Nil</b>       | <b>o</b> |
| These types of planning proposals are instigated by Council and typically apply to delivering Council policy or broad strategic planning outcomes. This category <u>does not apply</u> to site specific planning proposals which intend to increase the development potential of Council owned land.   |                  |          |

If you are unsure as to which fee applies, please contact Council's Strategic Planning Department on 9936 8100.

### **Planning Proposals – (Amendments to NSLEP 2013) Section 3.33 of the EP&A Act**

- Public Exhibition
- Consideration of submissions
- Post exhibition report to Council
- LEP making and Gazettal

If an application does not proceed to Stage 2, Council will review the fees paid in respect to a suitable refund, not exceeding 25% of the original fee.

### **PRE LODGEMENT MEETING**

It is strongly recommended that prior to preparation and lodgement of a planning proposal with Council, that a pre-lodgement meeting be held with Council's Strategic Planning staff. Meetings can be arranged by contacting Council's Strategic Planning Department on 9936 8100 or completing a pre-lodgement meeting application form which is available on Council's website. Details of all meetings held with Council staff in relation to the proposal should be incorporated within the Planning Proposal. This is particularly important where a Voluntary Planning Agreement is also being proposed.

Applications which are made without first benefiting from a pre-lodgement meeting run the risk of being refused or significantly delayed in reaching a determination from Council.

If you have met with Council staff through a pre-lodgement meeting, please advise as to when the meeting took place and the names of the relevant Council staff who attended.

| <b>Date</b> | <b>Council Staff who attended meeting</b> |
|-------------|---|
|             |   |
|             |   |
|             |   |

### **POLITICAL DONATIONS DISCLOSURE**

Have you made a political donation within the last two years or given a gift to any local councillor or Council employee?

YES ☐ NO ☐

If "Yes" a Political Donations Disclosure Form must be completed and attached to this application (available on Council's website)

### **PLANNING PROPOSAL TRACKING**

Council uses Masterview, a software product that allows applicants and the general public to view plans and associated documents to track the progress of a Planning Proposal throughout the assessment process.

It represents key milestones in the Planning Proposal process, however, does not provide a detailed history. Persons wishing to confirm information in detail should contact Council via either the email facility at the bottom of the Planning Proposal tracking window, or in writing in order to obtain a written response.

All pages labelled 'External Masterview' will be publicly accessible through Council's website. Please also refer to Part A - Copyright note.
