Resident Parking Permit

SECTION 1 – APPLICATION FOR A DIGITAL RESIDENT PARKING PERMIT

Enquiries, please phone 9936 8100

1.1 GENERAL INFORMATION

1.1.1. Generally, residents of the North Sydney council area who do not have off-street parking available for vehicles at their residence may apply for a Resident Parking Permit provided that:

- the vehicle is currently registered within NSW
- the vehicle is registered in the applicant's name, to the applicant's North Sydney residential address or is a company or borrowed vehicle normally parked at that address.
- A Parking Permit does not allow one to park in areas such as "No Standing", "No Parking" or any other restriction that does not specifically state "Permit Holders Excepted" for the allocated area. A Permit does not guarantee the permit holder a parking space outside the property.
- the vehicle is not a caravan, box or boat trailer etc.
- the vehicle weighs less than three tonnes

Permits for interstate registrations will not be renewed.

1.1.2. In the case of a company or borrowed vehicle, a written authorisation from the company or owner stating that the applicant has complete private use of the vehicle and that it is usually parked overnight at his/her place of residence must be supplied. This letter must accompany your application to Council.

1.1.3. Non-resident vehicle owners, tradespeople and hotel or hostel guests are not eligible for Parking Permits.

1.1.4. An annual fee is required for a Resident Parking Permit. The fee is reduced for applications received throughout the year. Please see North Sydney Council's website for fees, www.northsydney.nsw.gov.au/rpf. Eligible pensioners pay 50% of the associated fee. To be eligible for the pensioner discount, proof of pensioner status must accompany each application, e.g. a copy of your pension card.

1.1.5. Holders of Resident Parking Permits who change their vehicle or vehicle's registration plates must notify the Council within seven days. A replacement permit will then be issued. A fee is payable for a replacement permit. Please see North Sydney Council's website for fees, www.northsydney.nsw.gov.au/rpf

1.1.6. Residents living at the same dwelling may share a Resident Parking Permit provided all eligibility requirements are met. Only one vehicle at a time may use the permit and must park in the nominated Resident Parking Zone.

1.2 WHAT YOU NEED TO KNOW

1.2.1. Resident parking permits are subject to Council policy. The Resident Parking Permit entitlements, as adopted by Council on 16 February 2009 are summarised below:

Step 1	Calculate on-street parking dependence	Equals number of vehicles registered to your property minus number of off-street parking spaces attached to your property.
Step 2	Calculate Reduced Maximum Entitlement	Equals Maximum Entitlement (from Table below) minus number of off-street parking spaces attached to your property.
Step 3	Parking Permit Entitlement	Equals the lesser value obtained at Step 1 and Step 2.

APPLICATION FORM AND CONDITIONS

Resident Parking Permit

If the property has access to an off-street parking space/s, then a copy of the registration papers of the vehicle using this space must also be supplied.

An off-street parking space is defined as; any parking space, garage or car port that is within the boundary of the private property.

Property Description	Maximum Entitlement		
	Parking Zone A	Parking Zone B	Parking Zone C
Detached House, Semi-Detached House, Boarding House (per building), Duplex (per unit)	2	3	3
Attached Dwelling (Townhouse)			
a) Three or more bedrooms	2	3	3
b) One or two bedrooms	1	2	2
Apartment Buildings (within Commercial, Mixed Use and Residential "D" Neighbourhood Business Zones (per unit)			
a) If Development Approval given before 30/6/98 and/or Occupation Certificate given before 30/6/99	1	1	1
b) If Development Approval given from 1/7/98 and/or Occupation Certificate given from 1/7/99	0	0	0
Apartment Buildings (outside Commercial, Mixed Use and Residential "D" Neighbourhood Business Zones (per unit)			
a) Three or more bedrooms	1	2	2
b) One or two bedrooms	1	1	2

For each residential address, the maximum entitlement is reduced by the number of off-street parking spaces within the property.

For Example:

- If there is one vehicle registered to the address and 1 parking space on the property, then there is no entitlement available for any of the Zones.
- If there are 2 vehicles registered to the address and 1 parking space at a house located in Zone C, then the entitlement is for 1 Resident Parking Permit.

Copies of all vehicle registration papers for the applicant's address must be presented to confirm entitlement.

Resident Parking Permits exempt the holders' vehicles from time limits and/or meter parking fees for the area indicated on the permit.

Further Conditions Apply. For details about parking zones, please refer to the Resident Parking Permit Policy, on our website at www.northsydney.nsw.gov.au or contact the Customer Service Centre on **9936 8100** for further detailed information.
