

Summary of Actions Arising (SOA) Waverton 2024

This document is North Sydney Council's response to actions arising from Precinct Committee Minutes. On receipt of the minutes, actions are numbered and allocated to relevant Council Officers for response.

To effectively manage and provide clarity, all actions are allocated a status when reporting to Precinct Committees in response to their minutes. There are three categories:

- **Awaiting Response** - action allotted to Council Officer - response awaited.
- **Open/Ongoing** - action allocated to Council Officer, initial response provided. Matter ongoing and further response/update to be provided at later date.
- **Closed for Council** - Council either completed related works/tasks or has taken all reasonable steps within its power to resolve issue (for example when matter is beyond its jurisdiction). If the Precinct Committee feels Council can take further steps, they can request Council reopen action.

		Reopening Coal Loader Café - It was understood the Café would reopen in February. We are yet to see any sign of this occurring.	Council's Senior Property Officer has advised that Council has successfully secured a replacement and while there is not a confirmed opening date yet, the new leaseholders are in the process of taking over the space.	Open/Ongoing
		Reactivation of Precinct Sub Committees - In the past the Precinct has had subcommittees reporting on issues. It is proposed to reactivate a subcommittee system on matters - IT system upgrade, DA assessment, fund raising, the new Park and the like. These subcommittees would be asked, maybe annually or biannually as needed, to report into the regular Precinct meeting. It is hoped this approach also gives a wider range of interested, but busy, people the opportunity to be involved in Precinct activities.
