The upgrade works will include new stormwater drainage, footpath paving, street and decorative lighting, street furniture, sandstone benches with timber top seating around the outdoor dining areas, improved landscape areas and four new trees, two to be planted at each end of the plaza (Refer to the locality plan on the overleaf).

The works will commence on **Monday 15th of April 2024** and are scheduled to be completed within **10 weeks** (weather and other factors permitting). Works shall be undertaken between **Monday to Friday** during the hours of **7am and 5pm** with some **Saturdays** during the hours of **8am and 3pm**.
