Grounds Allocation

Summer Season (October-March)

- Traditional summer sports have priority in the summer season, e.g. Cricket.
- Synthetic turf wicket bookings are not accepted prior to the third week in September, to allow for grounds maintenance between seasons.
- A maximum of 40 people per booking per ground is permitted.
- Casual winter code sport is not permitted during the summer season.

With regard to bookings by winter codes:

- Winter codes are defined as Rugby, Rugby League, Soccer or Football, Touch Football, Futsal, Oztag, Australian Rules Football, Hockey and any other sport that is deemed to have a heavy impact on the sports field surface, during the maintenance and growing period.
- Between October and January, winter code bookings are permitted at Tunks Park (Ovals 2, 3, 4 and 5) for a maximum of 5 hours per week (junior schools only), in addition to cricket bookings. No other grounds are to be used for winter codes during this period, so as to allow the sports fields to recover from the winter season.
- Between February and March, winter code bookings are permitted at all grounds for a maximum of 10 hours per week.
- Winter code summer bookings are made on condition that no winter ground markings will be drawn and synthetic wickets will not be covered.
- Special events such as school holiday sports camps will be considered on a case-by-case basis.
- During preseason training, clubs are asked to request all players to wear sandshoes (and not boots with studs or blades) so as to minimise damage to grounds.

Winter Season (April-August)

- Winter season bookings are not permitted after the first week of September, to allow for grounds maintenance between seasons.
- Winter bookings must not exceed a maximum of 32 hours per week per ground.
- A maximum of 40 people per booking per ground is permitted.
- In calculating the total usage on a ground for allocation purposes, primary school bookings will be counted as half the actual usage due to their lower impact on the ground (i.e. two hours will be counted as one hour).
- Casual bookings (regardless of what sport) cannot be played during March or September due to ground maintenance.

Informal Sports

On sporting fields there are to be no games of high impact traditional winter sports (i.e. soccer, rugby league, rugby union, touch football, etc) without a booking.

Indemnity

It is essential that the indemnity form is completed.

Insurance/Certificate of Currency

All events held in Council facilities must have public liability insurance cover in the joint names of North Sydney Council and the hirer, and have a cross liability clause.

If your booking is on behalf of a company or organisation, you will need to provide evidence of insurance cover. You will need to include a copy of your Certificate of Currency with your application as evidence.

If your booking is on behalf of an individual, you will need to pay an additional Public Liability Insurance fee to Council. Council has this form of insurance in place for the majority of casual hirers.

A 'casual' hirer is defined as a hirer of Council facilities hiring a resource less frequently than once per calendar month or no more than twelve times per calendar year.

Please note the hirer will have to pay an excess of \$2000 on any claim. Inappropriate behaviour of the hirer may void the insurance. This cover does not apply to incorporated bodies, clubs, associations nor commercial users of any kind.

The Certificate of Currency must include:

- Insurer
- Name of the Insured
- Policy Number
- Expiry Date
- Sum Insured in \$AUD (legal liability to the public in respect of personal injury and property damage)

Permanent Hirers:

A copy of your Certificate of Currency must be forwarded to Council immediately upon renewal. Failure to comply will result in your booking being cancelled.

Lighting

Lighting is available on some ovals. The lights are turned on during the times reserved for the booking(s). If lights are required for set up and/or pack up time this must be factored in the start and finish times of the booking.

Lighting fees for permanent hirers will be invoiced after usage.

Line Markings

All line markings are to be approved by the Council's Grounds Manager. Creosote or dieseline products are not to be used for permanent markings.

Litter Bins

Litter bins are essential if food or drink is being served.

One (1) bin is required for every thirty (30) people attending. A litter bin must also be hired if food or drink is to be served after a casual sporting booking.

Litter removal will be at the hirer's cost if the grounds are left in an untidy state.

Permit for Use of a Sporting Resource

Social Gatherings

A social gathering (e.g. Christmas Party) is prohibited on a sporting field. Social gatherings are permitted on parks and reserves only.

Smoking Prohibition

Sportsgrounds are areas of land used primarily for active recreation involving organised sports, including tennis courts, croquet courts, netball courts and the like. Sportsgrounds include the playing surface as well as related ancillary facilities including infrastructure (floodlights, goal posts, nets, etc.) amenities buildings (clubhouses, toilets, change rooms and storage areas), and other amenities (seating, shade, shelter, barbecues and picnic facilities).

In accordance with the Smoke-free Environment Act 2000, smoking is prohibited in major sporting facilities and at public sports grounds and within four metres of the pedestrian access point to public buildings. Furthermore, in accordance with Council's Smoking in Public Places Policy smoking is prohibited on Council-owned land in and within 10 metres of the boundaries of sportsgrounds and recreational facilities, when sports are being played. Penalty notices may be issued to any person who fails to comply with these terms.

Storage

Council's sportsgrounds are hired by multiple hirers and therefore the limited storage facilities need to be shared.

Any storage requirements are to be indicated on the booking form.

- ☐ Equipment must be stored in designated storage areas only, should space be available.
- ☐ Equipment must be removed at the end of the season or as required by North Sydney Council.
- ☐ North Sydney Council reserves the right to remove any equipment located in undesignated areas.
- ☐ Council does not insure the contents or cover any losses in the event of fire, break-ins and the like.

Tents/Marquees

The erection of any structure including, but not limited to, signs, tents, marquees or fences is prohibited. A beach umbrella that is weighted down with sandbags (i.e. not stake/post driven) is acceptable. A sun shelter may be used for the purpose of covering food supplies, drinks and first aid provisions.

Touch Football

Playing touch football can sometimes have an adverse affect on the playing surface. Sandshoes only are to be worn. Bladed shoes are prohibited.

Wet Weather Closures

Playing on a water-logged resource is not only unsafe, it also damages the surface playing area. For the benefit of all hirers, it is important that resources are not used when they are officially closed.

Please refer to Council's website for all wet weather closures.
