Maintenance Works

Tunks Park Boat Ramp Repairs

Day and Night Works

Dear Resident,

Shamrock Developments International Pty Ltd has been contracted to undertake maintenance works on the Tunks Park boat ramp. The nature of the works includes repairing the collapsed section of the ramp closest to the pontoon. Details are provided below.

- Street Brothers Av, Cammeray
- Location Tunks Park boat ramp (refer overleaf)
- Start Date Tuesday 24 June 2025 (weather permitting)
- Working Hours Mon-Fri 7am-5pm & 11pm-6am
- Duration 4 days

The proposed works will be undertaken during the **DAY AND NIGHT** to capitalise on the low tides. Noisy works such as jack hammering will be scheduled during the day whilst non-noisy works will be undertaken at night (eg pouring of concrete). **Access to the boat ramp will be limited - half of the ramp will be closed during the works whilst the other half will remain operational.**

Parking within the vicinity of work site will be unavailable during the works. Residents and patrons of the boat ramp are requested to move all vehicles and boat trailers from the areas indicated by barricades and special work zone signs. No vehicles shall be permitted to park in these areas during the works. Failure to comply with this request will only delay the completion of the works and prolong the loss of parking spaces.

All effort will be made to minimise disruption and complete the works as quickly and safely as possible. Council appreciates your cooperation and patience.

If you require further information, please do not hesitate to contact Shamrock Developments International on 0413 671 225. Alternatively, you can contact Council's Engineering Project Manager, Ashraf Doureihi, on 0421 020 129 or ashraf.doureihi@northsydney.nsw.gov.au.

Yours faithfully,

NORTH SYDNEY COUNCIL
