

Summary of Actions Arising (SOA) Neutral 2025

This document is North Sydney Council's response to actions arising from Precinct Committee Minutes. On receipt of the minutes, actions are numbered and allocated to relevant Council Officers for response.

To effectively manage and provide clarity, all actions are allocated a status when reporting to Precinct Committees in response to their minutes. There are three categories:

- **Awaiting Response** - action allotted to Council Officer - response awaited.
- **Open/Ongoing** - action allocated to Council Officer, initial response provided. Matter ongoing and further response/update to be provided at later date.
- **Closed for Council** - Council either completed related works/tasks or has taken all reasonable steps within its power to resolve issue (for example when matter is beyond its jurisdiction). If the Precinct Committee feels Council can take further steps, they can request Council reopen action.
 - a) Sits outside of Council's jurisdiction
 - b) Response given by Council and awaiting Precinct's reply
 - c) Council has completed related works/tasks**Note:** These subcategories are only applied from 2025 onwards)

		costs and funding sources for identified projects is not known. The Precinct urges Council to remove these proposed projects from the Revised Draft Delivery Program and revert to the previously approved Delivery Program. This will allow time for proper collation of alternative funding and the proposed community consultation, through to 2026 to then establish priorities.	The Revised Draft Delivery Program 2025-2029 and Operational Plan 2025-26 was voted on and adopted by Council at the Extraordinary Council Meeting on 30 June. May		Draft Delivery Program 2025-29 and Operational Plan 2025-26 The Precinct expressed concerns that plans may not proceed if the full extent of Council's proposed special rate increase is not approved. The community needs to be consulted again when the special rates decision is known.	There will be an update on the DPOP going to Council on Monday 26 May, there will be further engagement. February	7.	Ilbery Reserve The Council consider' i. installing low level LED /non spillage lighting in the Ilbery Reserve similar to other lighting that has been installed in public places in Neutral Bay	In order to move this forward, the Precinct will need to find a way for this to be raised as a Notice of Motion at a Council meeting. It's unlikely that we'll be able to consider their request in the current situation. The other option is for the Precinct to put forward a submission to the DP/OP, as this is where Council adopts its Capital Works Program for next year.	Closed for Council - b
