

Summary of Actions Arising (SOA) The Plateau 2025

This document is North Sydney Council's response to actions arising from Precinct Committee Minutes. On receipt of the minutes, actions are numbered and allocated to relevant Council Officers for response.

To effectively manage and provide clarity, all actions are allocated a status when reporting to Precinct Committees in response to their minutes. There are three categories:

- **Awaiting Response** - action allotted to Council Officer - response awaited.
- **Open/Ongoing** - action allocated to Council Officer, initial response provided. Matter ongoing and further response/update to be provided at later date.
- **Closed for Council** - Council either completed related works/tasks or has taken all reasonable steps within its power to resolve issue (for example when matter is beyond its jurisdiction). If the Precinct Committee feels Council can take further steps, they can request Council reopen action.
 - a) Sits outside of Council's jurisdiction
 - b) Response given by Council and awaiting Precinct's reply
 - c) Council has completed related works/tasks**Note:** These subcategories are only applied from 2025 onwards)
