### PURPOSE:

The purpose of this report is to provide Council with an analysis and recommendations of the tender process for Tender 25/2025, Geographical Information System Replacement.

### EXECUTIVE SUMMARY:

- Tenders were invited for the provision of a Geographical Information System.
- Five tender submissions were received when the tender closed at 4:00pm 15 December 2025.
- If Council wishes to discuss the report, the meeting should be closed to the public to do so, in accordance with 10A(2) of the Local Government Act 1993:

(d)(i) commercial information of a confidential nature that would, if disclosed prejudice the commercial position of the person who supplied it and because consideration of the matter would, on balance be contrary to the public interest as publication of all tendered amounts would discourage potential tenderers from submitting commercial information in future and would affect Council's ability to obtain value for money services.

### RECOMMENDATION:

**1.THAT** Council accept the recommended tenderer for Tender 25-2025 for Geographical Information System (GIS) Replacement as noted within the confidential attachment of this report.

**2.THAT** Council authorise the Chief Executive Officer to take any necessary action to implement the decision including entering into associated contract arising from the acceptance of Tender 25/2025 Geographical Information System Replacement.

**3.THAT** Council resolves that the identified attachment to this report is to be treated as confidential in accordance with section 11(3) of the Local Government Act for the following reason under section 10A(2) of the Local Government Act:

*(d)(i) commercial information of a confidential nature that would, if disclosed prejudice the commercial position of the person who supplied it and because consideration of the matter would, on balance be contrary to the public interest as publication of all tendered amounts would discourage potential tenderers from submitting commercial information in future and would affect Council's ability to obtain value for money services.*

## Background

Council's Geographical Information System (GIS) is a critical business system that enables core business functions including asset management, planning, compliance, infrastructure maintenance, and customer service.

The existing GIS platform is no longer fit for purpose and has substantial limitations in functionality, usability, system integration, and vendor support. As the system continues to age, it presents increasing cybersecurity risks and lacks the capability to meet evolving security standards.

Consequently, a tender was issued to identify and procure a suitable replacement for the current GIS system.

## Report

The methodology adopted to undertake the tender evaluation was based on selection criteria outlined in the tender documents and in accordance with the Local Government Act 1993 and the Local Government (General) Regulation 2005.

Tenders were called on 20 November 2025 and received until 4:00pm 15 December 2025, for the supply and installation of a suitable GIS system, including the migration of existing data to the new platform.

Submissions were received via Tenderlink. During this period, tenderers were able to ask questions via the Online Forum.

At close of tender, five tenders were received. Listed in strict alphabetical order, the tenderers were:

<b>Tenderer</b>
ESRI Australia Pty Ltd
GPOne Consulting
Len Olyott Consulting
Open Spatial Pty Ltd
The Spatial Distillery Company Pty Ltd

Information provided by tenderers which is commercial-in-confidence has been protected and will not be disclosed in accordance with section 10A(2)(d) of the Local Government Act 1993.

A consistent standard for all tenderers has been used in assessing any request for confidentiality by a tenderer.

The following information is treated as confidential in the confidential attachment:

**1. Tender evaluation including selection criteria**

The tender process has been reviewed and endorsed by Council's Procurement Panel for adherence to the Procurement Policy.

**2. Tender evaluation panel results**

The final ranking and point scores (out of a total 100) of the tenders are identified in the table in the confidential attachment. The assessment was based on Council's standard tender evaluation methodology, as outlined in the selection criteria.

**3. Funding and costing details**

Application for access to documentation should be through lodgement of a GIPA Public Information application form and payment of prescribed fees.

**Consultation requirements**

No consultation was required to inform the recommendations of this report.

**Financial/Resource Implications**

The existing Information Technology budget and forward estimates have sufficient funds allocated to cover the proposed costs during the 3-year term of the Geographical Information System Agreement.

**Legislation**

Council acceptance of tenders must be undertaken in accordance with clause 178 of the Regulation. For transparency, minutes record the names of the councillors who supported the decision and any councillors who opposed the decision.
