## **Development Consent No. 187/18**

#### **Notice of Determination**

Section 4.18 of the Environmental Planning and Assessment Act 1979 ("the Act") Clause 100 of the Environmental Planning and Assessment Regulation 2000 ("the Regulation")

#### Applicant's Name

Mosman Finance No. 5 Pty Ltd

#### Land to which this applies

26 Cremorne Road, Cremorne Point Lot No. 1, DP 926849

#### **Proposal**

Strata Subdivision

#### **Determination of Development Application**

Subject to the provisions of Section 4.17 of the Environmental Planning and Assessment Act 1979, approval has been granted subject to conditions in the notice of determination.

#### Reason for approval

The development application has been assessed against all applicable environmental planning instruments and Council policies and was found to be generally satisfactory, including in relation to the North Sydney LEP 2013 and North Sydney DCP 2013, subject to conditions of consent.

The development application would promote the orderly and economic use and development of land and does not affect the building design or the amenity of the built environment.

Having regard to the provisions of Section 4.15 of the EP & A Act 1979, the application is considered to be satisfactory, subject to conditions of consent, as detailed in the assessment report.

#### **Date from which this Consent operates**

#### How were community views taken into account in making the decision

The proposal was not required to be notified and advertised in accordance with part A, Section 4 *Notification of Applications* of North Sydney DCP 2013 and no submissions were received.

#### **Period of Consent**

Subject to Section 4.20 of the Act, this consent becomes effective and operates from 18 September 2018. The consent lapses five years after the date of consent in accordance with Section 4.53 of the Act and cannot be extended. To enjoy the benefits of this consent, works must physically commence onsite by 18 September 2023.

#### Review of determination and right of appeal

Within 6 months after the date of determination, a review of this determination can be requested under Division 8.2 of the Act or an appeal to the Land and Environment Court made pursuant to the provisions of Section 8.7 of the Act. If a review is contemplated, it should be lodged within two months of the date of this determination to enable the six month period, which includes Council's review to be met.

#### Plans endorsed by the consent authority

Drawings numbered SP Draft, dated 3 April 2018, drawn by Philip D. Youdale and received by Council on 22 June 2018.

Endorsed for and on behalf of North Sydney Council

#### A. Conditions that Identify Approved Plans

#### Development in Accordance with Plans/documentation

A1. The development must be carried out in accordance with drawings numbered SP draft, dated 3 April 2018, drawn by Philip D. Youdale and received by Council on 22 June 2018.

(Reason:

To ensure that the form of the development undertaken is in accordance with the determination of Council, Public Information)

#### K. Prior to the Issue of any Strata Certificate

#### Strata Subdivision

K1. A Strata Certificate pursuant to the *Strata Schemes (Freehold Development) Act* 1973, that authorises registration of the strata plan, strata plan of subdivision or notice of conversion at NSW Land and Property Information Office must be obtained. If the Strata Certificate is obtained from an Accredited Certifier, other than the Council, the certifier is to provide Council with a copy of the endorsed Strata Certificate within 7 days of issuing the same, pursuant to the *Strata Schemes (Freehold Development) Regulation* 2002.

**NOTES:** For approval of the Strata Certificate by North Sydney Council, the following must be submitted to Council: -

- a) the original strata plans or strata plans of subdivision and administration sheets plus two (2) copies of each, and any original Instrument (including but not limited to any section 88B or 88E instruments) to be endorsed, all **enclosed in a protective cardboard tube** (to prevent damage during transfer);
- b) 2 additional copies of the strata plans or strata plans of subdivision and any relevant Instrument for submission to Council Customer Services and records department for electronic database scanning and copying;
- c) a completed *Subdivision or Strata Certificate Application* form together with payment of fee current at lodgement;
- d) written evidence that all applicable conditions of consent required to be satisfied, prior to issue of the Strata Certificate, have been satisfied. Council will check the consent conditions on the relevant consent(s). Failure to submit the required information will delay endorsement of the Strata Certificate, and may require payment of rechecking fees;
- e) plans of subdivision and copies must not be folded; and
- f) council will not accept bonds in lieu of completing subdivision works.

(Reason: To ensure compliance with relevant legislative requirements and maintenance of up to date Council records)

#### **Release of Strata Certificate**

K2. The Strata Certificate that authorises registration of the Strata Plan, Strata Plan of Subdivision or Notice of Conversion at NSW Land and Property Information shall not be issued until bounding walls, floors and ceilings between proposed strata lots have been constructed in accordance with the approved plans identified in Condition A1 of this Consent.

(Reason: To ensure that the registered strata plan relates to approved development)

#### **Building and Unit Numbering (Strata Subdivisions)**

K3. Prior to issue of the Strata Certificate, the person acting upon this consent must apply to North Sydney Council and receive written confirmation of the allocated street address and unit numbers for the building and the approved strata allotments within the completed project. These are the property addresses that will be recorded in Council records and must be displayed at the property in accordance with the provisions of the applicable Australian Standard (AS/NZS 4819:2011).

To assist Council, a draft proposal for numbering within the strata scheme or street should be submitted for concurrence to Council, as these numbers will be used to maintain Council's property and mapping database.

(Reason: To ensure that Council records are accurate, and that building and

unit numbering complies with the requirements of Council's Property Addressing Policy. Proper building and unit numbering also assists emergency services in readily locating properties)

#### **Services within Lots**

K4. A report must be provided by a Registered Surveyor certifying that all services (including but not limited to stormwater drainage, gas, electricity, telephone cable) as constructed or to be constructed are/will be contained within each lot or within the necessary easements to accommodate such services. The report must be submitted to the Certifying Authority for approval prior to the issue of any Subdivision Certificate.

(Reason: To ensure adequate servicing of the development)

#### **Strata Scheme By-Laws**

- K5. Strata Scheme By-laws shall be adopted and retained in perpetuity that provide for the following:
  - a) Unrestricted access for owners and their agents to the air conditioning condenser units in the common property area between the courtyards of PT1 and PT3; and

b) Unrestricted access for the operation and maintenance of the green wall nutrient pump/plant in the common property area between the courtyards of PT1 and PT3.

(Reason:

To facilitate access for residents to air conditioning plant and to facilitate access to the irrigation and nutrient pump/plant, located on common property and which is surrounded by individual strata courtyards)
