

## Outdoor Fitness Training

### Introduction

Please refer to North Sydney Council's Outdoor Fitness Training Code of Conduct (available on the North Sydney Council website) prior to filling in the Trainer Declaration.

The purpose of the Outdoor Fitness Training Code of Conduct is:

- ❖ To eliminate negative behaviour that interferes with the amenity of local residents and other park users.
- ❖ To ensure access to and use of public open space is preserved for all members of the community.
- ❖ To protect the public open space and public domain for future community use.
- ❖ To provide the opportunity for the community to benefit from, enjoy and engage in fitness training in a variety of outdoor environments.
- ❖ All personal trainers wishing to conduct outdoor fitness training in the North Sydney Local Government Area are expected to comply with our Code of Conduct.

### Compliance with the Code of Conduct

Personal trainers are asked to complete the declaration and comply with our Code of Conduct at all times. **Signing the declaration signifies a personal trainer's intent to comply with the Code of Conduct.**

All trainers are required to comply with reasonable directions of Council Ranger(s) or other Council Staff in relation to any actual or potential activities undertaken in line with the Code of Conduct.

Personal Trainers will be issued with an item to identify themselves as having signed up to Council's Code of Conduct. The item is to be on display during any fitness activity conducted on public open space in North Sydney.

It should be noted that committing to the Code and displaying the identifying item does not imply that Council endorses or is liable for, any damage or loss the Trainer may suffer by act, default or neglect of any other person. Nor does it imply that Council has made any assessment of that Trainer's suitability to supply the training service.

### Non-Compliance with The Code of Conduct

Personal Trainers not compliant will be moved on by Council's Rangers. Continued non-compliance may result in a request to permanently cease the conduct of fitness activities on public open space in North Sydney.
