Enquiries, please phone 9936 8100

#### **1.1 GENERAL INFORMATION**

1.1.1. Generally, residents of the North Sydney council area who do not have off-street parking available for vehicles at their residence may apply for a Resident Parking Permit provided that:

- the vehicle is registered in the applicant’s name, to the applicant’s North Sydney residential address or is a company or borrowed vehicle normally parked at that address
- the vehicle is not a caravan, box or boat trailer etc.
- the vehicle weighs less than three tonnes

Permits for interstate registrations will not be renewed

1.1.2. In the case of a company or borrowed vehicle, a written authorisation from the company or owner stating that the applicant has complete private use of the vehicle and that it is usually parked overnight at his/her place of residence must be supplied. This letter must accompany your application to Council.

1.1.3. Non-resident vehicle owners, tradespeople and hotel or hostel guests are not eligible for Resident Parking Permits.

1.1.4. An annual fee is required for a Resident Parking Permit. The fee is reduced for applications received throughout the year. Please see North Sydney Council’s website for fees, [www.northsydney.nsw.gov.au/rpf](http://www.northsydney.nsw.gov.au/rpf). Eligible pensioners pay 50% of the associated fee. To be eligible for the pensioner discount, proof of pensioner status must accompany each application, eg. a copy of your pension card.

1.1.5. Holders of Resident Parking Permits who change their vehicle must notify the Council within seven days. A replacement permit will then be issued. A fee is payable for a replacement permit. Please see North Sydney Council’s website for fees, [www.northsydney.nsw.gov.au/rpf](http://www.northsydney.nsw.gov.au/rpf)

1.1.6. Residents living at the same dwelling may share a Resident Parking Permit provided all eligibility requirements are met. Only one vehicle at a time may use the permit and must park in the nominated Resident Parking Zone.

#### **1.2 WHAT YOU NEED TO KNOW**

1.2.1. Resident parking permits are subject to Council policy. The Resident Parking Permit entitlements, as adopted by Council on 16 February 2009 are summarised below:

Step 1	Calculate on-street parking dependence	Equals number of vehicles registered to your property minus number of off-street parking spaces attached to your property.
Step 2	Calculate Reduced Maximum Entitlement	Equals Maximum Entitlement (from Table below) minus number of offstreet parking spaces attached to your property.
Step 3	Parking Permit Entitlement	Equals the lesser value obtained at Step 1 and Step 2.

If the property has access to an off-street parking space/s, then a copy of the registration papers of the vehicle using this space must also be supplied.
