Glossary of Terms

Catchment Area is a designated area surrounding the school where resident students applying must be accepted.

Co-ed means that the school accepts both boys and girls, also known as comprehensive.

Independent means that the school is not Government owned or operated, also known as a private school.

Non-denominational means that the school does not affiliate with any one religion or religious belief.

Public means that the school is Government owned and operated.

Selective means that students need to take a selective exam for entrance to the school (please see back page for more information on the selective process).

TAFE stands for *Technical and Further Education* and specialises in technical and vocational subjects.
