NORTH SYDNEY COUNCIL

SPORTS FIELDS

Introduction

Some of the most beautiful parks, gardens and sporting ovals in Australia are to be found in the North Sydney Council area.

There are seven major sportsgrounds in the North Sydney area.

- 1 **Anderson Park** Clark Road, Neutral Bay
- 2 **Cammeray Park** Cammeray Road, Cammeray
- 3 **Forsyth Park** Montpelier Street, Neutral Bay
- 4 **Primrose Park** Young Street, Cremorne
- 5 **St Leonards Park** Cnr Miller and Falcon Streets, North Sydney
- 6 **Tunks Park** Brothers Avenue, Cremorne
- 7 **Waverton Park** Woolcott Street, Waverton

The oval configuration changes depending on the season ie during the Winter sport season (from April to August) there are fewer ovals to play on. However, during the Summer sport season (October to February) there are more.

NB All grounds are closed for new season field preparation March and September, however, consideration is given to important events (such as semi-finals and finals).

North Sydney Council has a user-pays system, levying fees from local schools, organisations and groups who wish to hire sportsgrounds for exclusive use for the purpose of organised sport. The income generated is generally used to maintain the facilities to a high standard. Fees and charges vary depending upon the type of facility being hired and the type of organisation hiring the facility, for example there is a commercial rate, seniors rate, juniors/schools rate and social/casual rate. User groups include sporting organisations, schools, business corporations and the general public. Hire of the parks and reserves is restricted to 25 hours per week per ground in order to maintain the playing surfaces in good condition.

Council's current policy is to encourage the use of public transport throughout the North Sydney area and to discourage reliance on private cars.

The provision of car parking within sportsgrounds is viewed as an alienation of public space, and not ancillary to the recreational use of the area. Car parking by the general public is restricted to neighbourhood streets and nearby designated car parks. and is prohibited within sportsgrounds except on special occasions when permission must be obtained from Council.
