

***THE 4
FUTURES***

A topographic map is shown with a compass and a ruler. The map features contour lines, a river, and various geographical labels. A compass is positioned in the upper right, and a ruler is in the lower right. A semi-transparent black box with white text is overlaid on the map.

Why is now a good time to be working on your business?

A close-up photograph of a dartboard. A single dart with a wooden barrel and a black and yellow flight is embedded in the red bullseye at the center. The dartboard has a standard design with alternating black and white segments, and concentric rings of red and green. The word "Harris" is partially visible on the right side of the board.

Which project would help you most? [& why?]

Good news... More Red = More Opportunities 😊

What's been most valuable from today?

A close-up of a car's side-view mirror. The mirror's reflection shows a paved road winding through a lush green valley with tall evergreen trees. In the distance, a small dark car is driving away on the road. The background behind the mirror is a blurred view of a forested mountain landscape under a clear sky.

Here's a guy who can get you into shape and keep you there. Meet Marc Melillo from Performance Sports Nutrition in North Sydney. It's easy to like Marc, you don't feel like you're in a store but more like you've dropped around to see an old friend. Marc literally has people dropping by on their work breaks to have a chat and a health shake because he is so likeable and passionate about what he does.

Marc's back story is interesting, he was into body building from his teen ... [See More](#)
