Dear Premier

Thank you for your correspondence on behalf of Mr Adrian Panuccio, Acting General Manager of North Sydney Council, about tree removal for the B-line.

I am advised that tree removal between Mosman, Cremorne and Neutral Bay was completed on 13 October 2017. All trees identified for removal or trimming were assessed by an independent arborist. None of the trees were identified as ecologically endangered.

Transport for NSW has no plans to remove any trees from St Leonards Park as part of the B-line project.

As Mr Panuccio is aware, members of the B-line team have met regularly with North Sydney Council to discuss the B-line and any necessary tree removal. I am advised that the last meeting was held on 21 November 2017. Mr Panuccio may be assured that the B-line team will continue to meet with North Sydney Council as the project progresses.

I trust this information is of assistance.

Yours sincerely

THE HON ANDREW CONSTANCE MP
